STEAM Curriculum

“The value of an idea lies in the using of it.”

Thomas Edison

An integrated STEAM Curriculum (Science, Technology, Engineering, Art & mathematics) supports the education system at CT World. As a result the students are equipped with 21 st Century Skills: Thinking Skills (Creative, Critical, Communication and Collaboration), Digital Literacies and Life Skills

Skill Based Learning

**The purpose of education is to make good human beings with skill and expertise...
Enlightened human beings can be created by teachers. A. P. J. Abdul Kalam**

We have an extensive and mandatory skill development program at CT World in collaboration with CT Group of Institutes, Shahpur. **Employability skills** and **subject-specific skills are the two main** areas of focus in this curriculum. The aim is to enhance skills like communication skills, self-management skills, digital literacy skills, entrepreneurial skills, financial literacy skills etc and train the students for subject for Employability. The aim to build foundation for successful future professionals.

Civic Engagement Programmes

**The greatest gifts you can give your children are
the roots of responsibility and the wings of
independence.**

[Denis Waitley](#)

These programmes include activities that focus on the civic awareness and responsibilities of the students as educated citizens of the country and community. Regular activities like, community clean-up drives, financial literacy, legal literacy, Universal adult franchise workshops and seminars are an integral part of the curriculum planning.

Career Guidance

“Believe you can and you are halfway there” Theodore Roosevelt

When the students reach a particular threshold of age in life they need to be navigated towards the right path. We ensure continuous and professional career guidance of our students through analysis and identification of their strengths and weaknesses. Periodic guidance is provided on various career pathways, different entrance exams, college admission processes, formalities for admissions abroad.

Personality Development Programmes

Our character is what we do when we think no one is looking.

[H. Jackson Brown, Jr.](#)

Character building is an important part of education here. The endeavour is to shape responsible personalities through life skills development, Language enhancement, Etiquette and Body Language, emotional intelligence and mental health awareness.

Health and Fitness

“To keep the body in good health is our duty” Buddha

Initiatives related to physical health and nutrition are a regular feature at CT World. Programmes like Fitness Clubs, mindfulness programmes, nutrition sensitization etc ensure that the students, educators and parents are aware about the Importance of health and fitness.

Parent Connect programmes

“The mind is not a vessel to be filled but a fire to be kindled” Plutarch

Parent support and involvement is like the backbone of any education system. We believe in maximum parent involvement through Parent Volunteer Programmes wherein, parents share their expertise with our students and teachers.

Art & Craft

“Painting is poetry that is seen rather than felt, and poetry is painting that is felt rather than seen.” – Leonardo da Vinci

CTians are provided the space to discover themselves through the colourful and imaginative world of art. The expression through art builds their academic performance in numerous ways. Along with being a separate stream all together, Art is also integrated with almost all the subjects from Kindergarten to Senior Secondary.

Sports and Games

"The best motivation always comes from within."

- Michael Johnson

Through compulsory sporting activities, we provide an opportunity for CTians to explore games like Football, Basketball, Volleyball, athletics, skating etc and develop basic skills. There is an indoor games space where students can play Table Tennis, Chess and Carrom etc. Our sports facility and faculty are both of excellent quality and experience

SHOOTING RANGE

“Practice is a Talent, Perseverance is a Talent, Hard work is a Talent”

Abhinav Bindra

CT Shooting Range, offers a unique opportunity to explore marksmanship in a safe and controlled environment. Music

Where words fail, music speaks. Hans Christian Andersen

Music is the pulse of any educational organisation as it brings rhythm to the daily working of the school. Our students can choose between instrumental and vocal music according to their interest and inherent talent. All performers experience the freedom of expression through various keys and notes.

Dance

“Let us read, and let us dance; these two amusements will never do any harm to the world.” - Voltaire

The dance room at CT World is a creative space for our budding artists. Here the students learn to sway and tap to the rhythmic notes. They get acquainted with various dance forms from across the globe ranging from the local Bhangra and Indian Classical to Tango and Salsa.

Experiential Learning

“Tell me and I forget, teach me and I may remember, involve me and I learn.” Confucius

The teaching learning process at CT World involves hands on experience on daily basis. The students ideate and create the concepts and equip themselves with the necessary skills .
